Hojat-ol-eslam Hamidi, the social and cultural deputy of Tabriz municipality, stated that parallel with the other programs of "Tabriz 2018", Tabriz potentials particularly in the ground of the artistic productions are to be introduced in the cities of Baku and Ganja. Elsewhere in his remarks Hojat-ol-eslam Hamidi pointed out: "Considering the importance of developing people's understanding, especially in the neighboring countries, Tabriz Cultural Week will be held in the cities of Baku and Ganja. Appreciating great efforts and the initiative taken by the Cultural Attach of the Iranian Embassy to Azerbaijan Republic, social deputy stated that the cultural weeks will be held in the last decade of May to pave the way for the familiarization of the people of this country with the culture, art and history of our country. He later asked for much more collaboration and partnership among the cultural activities organizations to introduce tourism attractions and capabilities of our city in the year of 2018. Various programs of this cultural and artistic event include painting exhibition of Tabriz style, performance of traditional music, calligraphy, miniature, souvenirs and culinary of Tabriz, exhibition of Iranian prominent handicrafts and screening documentary movies from cultural and tourist attractions of Tabriz.
